

Aloha,

This meeting is being scheduled as an action item from our September 14th call for AOC Parties Leadership to have an opportunity to check-in before the upcoming FTAC meeting. Below is the agenda set by EPA/DOH/Navy Red Hill PMO. Navy Red Hill PMO will be facilitating us through the agenda during the call.

Agenda:

- Leadership Open Remarks (RDML Kott, Mr. Scott, Ms. Ho)
- May 6th Update (Navy/DLA)
 - Any updates on analytical data (TPH-O) since July drinking water sample
 - Expected timeframe the final investigation will be complete and available
- GTTNA Brief (Navy/DLA)
 - Schedule
 - Feasibility Study: When will RAs be able to review, any initial findings to share, preliminary designs under consideration
 - Compliance with regulations
- Update on TUA Supplemental Review (EPA/DOH)
- Dual Path: current BAPT recommendation and secondary containment
- Open Questions Discussion

Navy Red Hill PMO will forward this invitation to individuals within the Navy and DLA. If there are any updates to the below attendee list, please let me know and I will update the invite accordingly
